The main search bar is divided into three sections: 'DESTINATION' with a dropdown menu showing 'All Destinations', 'GUESTS & ROOMS' with a selection of '1' adult and '1' room, and 'DATES OF STAY' with a selection of 'Aug 14 - Aug 16'. A prominent orange 'SEARCH' button is located to the right of the date field. In the top right corner, there is a language selector set to 'ENGLISH (US) (USD)'. Below the search bar, on the left, is a 'FILTER BY:' section with options for 'PRICE RANGE' (a slider from 0 to \$1000+), 'HOTEL CLASS' (two rows of five stars each), and 'PACKAGE'. A 'Discount Code' modal is open, featuring a dropdown menu, an input field, and 'CANCEL' and 'ADD' buttons. On the right side, there are controls for 'SORT' (set to 'Alphabetical - A to Z'), a grid/list view toggle, and a user profile icon. The bottom of the page shows three preview images: a resort pool area at sunset, a beach view, and a hotel room interior.
